※1 Companies subject to the survey were the 27 companies to which the Association's directors and auditors belong (of which 21 companies were included in the statistics).

※2 Calculated by adding the survey results, i.e. consolidated lease statistics (after adjustment for duplication) to the non-consolidated lease statistics.

※3 Finance leases are lease transactions which meet the two requirements of (1) Cancellation during the lease term is prohibited (Prohibition of early termination) and (2) Nearly the entire amount (more than 90%) of the price of the property and ancillary costs may be recovered through lease payments.

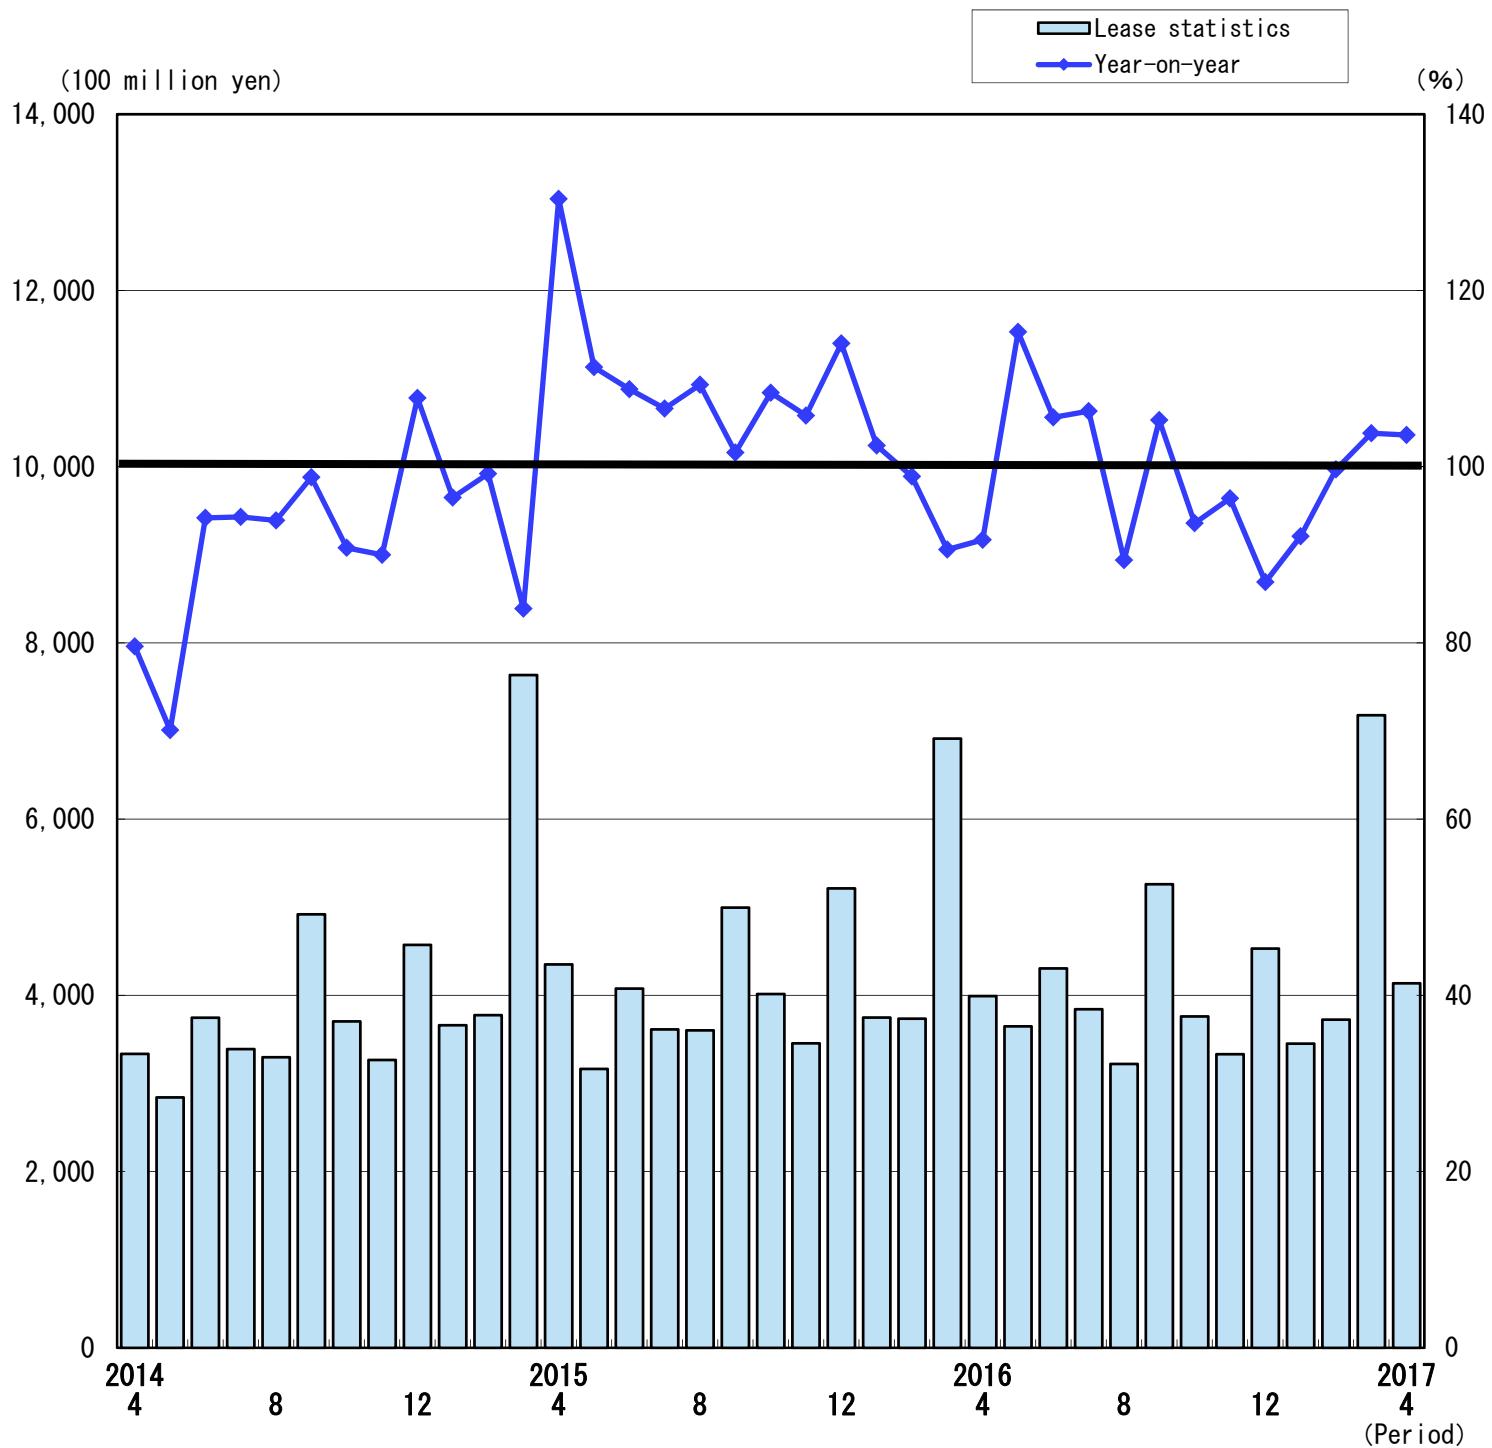

※4 Operating leases are lease transactions other than finance leases.
